HOW TO UNDERSTAND SPIRITUALLY LOST PEOPLE AND GIVE THEM DIRECTIONS TO GOD

### LOSTOLOGY LAB:

Read Mark 15

1. How would you react to a person who was looking for a lost person but was constantly complaining about how much the search was costing and how much time it required? How would you feel about that person?
2. In what ways does evangelism cost in terms of time, money and resources?
3. How do we, as Christians, give the impression that we want evangelism and church outreach to be convenient and inexpensive?
4. How do we reconcile what Christ did for us (coming to earth and dying for us) with what we are willing to do to reach the lost all around us?
5. What changes do you need to make in the way you spend your time and money so that you can be involved (or more engaged in) personal evangelism and church outreach?

# DISCOUNTED SEARCH?

## MARK 15

**LAW 9:** Searches are always \_\_\_\_\_ and love pays \_\_\_\_\_ the search costs.

When it comes to a \_\_\_\_\_ search and rescue we want something that won't cost \_\_\_\_\_ or demand any of our \_\_\_\_\_.

Evangelism requires \_\_\_\_\_ and we must measure our investment against the standard of the \_\_\_\_\_.
